OUTDOOR LG LED SIGNAGE

## GSCA Versatile Series

Fast Installation

Easy Maintenance

Two Cabinet Options

90° Corner Design Available

Front or Rear Serviceability

IP Rated Weatherproof Design

### Fast Installation

Various factors including magnets on the top and bottom, positioning pins, handles and fast locks help installers easily set up and dismantle the LED screens without additional tools.

### Easy Maintenance

The GSCA series applied a simple Lock Fixing method which requires no additional tools, making it easier to replace LED modules or power/data units. It saves cost and time for maintenance.

### Two Cabinet Options

The GSCA series offers two sizes of cabinets enabling a screen size configuration that fits perfectly with customer's demands.

### IP Rated Weatherproof & 90° Corner Design

The cabinet is IP65 certified, allowing stable operation unaffected by weather and harsh outdoor environments. Also, if you add a 90° corner option, the GSCA series can deliver flawless content even when installed on the corners.

### Front or Rear Serviceability

The product offers either front access or rear access; allowing customers to choose installation options according to their environment and minimizes limitations in installation and maintenance.
